**SERVINGS** 10 servings

## INGREDIENTS

20 Biscoff cookies  
100 g white chocolate chips  
¼ tsp salt  
  
300 g Biscoff spread  
100 g powdered sugar  
20 small edible eyes

## PREPARATION

1. Melt the white chocolate chips and salt in the microwave or au bain marie. Dip the back of the Biscoff Cookies in the chocolate. Place them with the chocolate side up on a plate and place in the fridge until the chocolate is set.
2. Add the Biscoff Spread to another bowl. Add the powdered sugar and mix together until thickened. Transfer to a piping bag with a star nozzle attached.
3. Take the Biscoff Cookies out of the fridge and add Biscoff cream frosting to half of them. Place the other half on top of the frosting. Stick two edible eyes in the frosting. Place in the fridge for 1 hour until set.
